

Whether studying on Campus or at home, a secure Wi-Fi connection must be made prior to signing into your loan laptop. Please follow the instructions below.

Off Campus Sign in

1. Click the **Wi-Fi icon** on the bottom right-hand corner of the screen

2. Select your desired network to connect to
3. Once connection has been made, click on the 'Network sign-in' icon

4. Enter your Middlesex University **User ID** (e.g. **AB123**) and **password**
5. Once details have been entered click '**Ok**' and then '**Connect**'
6. **Important:** It can take up to 15 minutes to establish an APM connection
7. Wi-Fi icon should now light up (**White**) indicating **Wi-Fi connection success**

After successful connection...

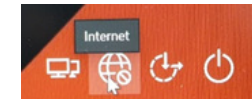

AppsAnywhere will launch and an automatic validation process will start. From here, you will have access to Microsoft, Adobe, SPSS and many more software applications. If you are experiencing problems and need assistance please contact **UniHelp** online: unihub.mdx.ac.uk/support/unihelp
