

Frequently Asked Questions: Overseas Campus Transfers to Malta

I have been approved for a Campus Transfer, what happens next?

Campus transfers are normally conditional on you passing the modules on your current year of study and having no holds on your myUniHub account.

Upon meeting these conditions you will be contacted by our Malta campus Student Office, who will guide you on your way forward.

How do I apply for a Maltese Visa?

Our admissions team in Malta will be able to assist you through the visa process. Students transferring from London or Dubai Campus can apply for a Schengen visa through the respective Maltese Embassies.

Students studying in Mauritius can apply for a 90 day Schengen entry visa through the Italian Embassy based in Port Louis. Once in Malta our staff will be able to assist you in obtaining an E Residence which will allow you to stay in Malta throughout your studies.

How do I pay my Tuition fees?

All students are required to settle 50% of their tuition fees prior to applying for visa. Payments can be done via online transfer. All the required bank details can be found on the invoice provided by Malta Campus Student Office, upon successful campus transfer approval. The remaining 50% can be paid in instalments once students are on campus.

If you are an UK/EU student transferring for one year from the London campus you will continue to pay your fees to the London campus. You will be given further information on this arrangement once you have applied and been approved for the transfer if this applies to you.

Am I entitled to any Scholarships or funding?

Unfortunately, any scholarships you have been awarded at your current campus will not be valid on the Malta campus.

When am I expected to arrive and is there an airport pick up service?

The Malta Campus provides airport pick up for all students, a Middlesex representative will be waiting for you at the airport and accompanying you to your pre booked accommodation. Please make sure to provide our Student Office with your flight details at least a week prior to arrival.

What documents do I need to bring with me when I arrive at the University?

We suggest that all students bring a copy of all documents used to obtain the visa. These will need to be re used to apply for your E Residence application.
