

Mac OS X wireless guide

Step 1: To connect to **MDXUNI** network on your MacBook, click on the airport wireless icon on the top right of the menu bar, then select **MDXUNI**.

Step 2: Enter your Middlesex University student **username** (e.g. **AB123**) and **password** - make sure the **Remember this network** box has been ticked.

Enter your student
username as shown

Step 3: After a few seconds the **MDXUNI** network connection will be established - you will see a tick next to **MDXUNI** under the list of wireless networks.
