

Signing into Adobe on your personal device

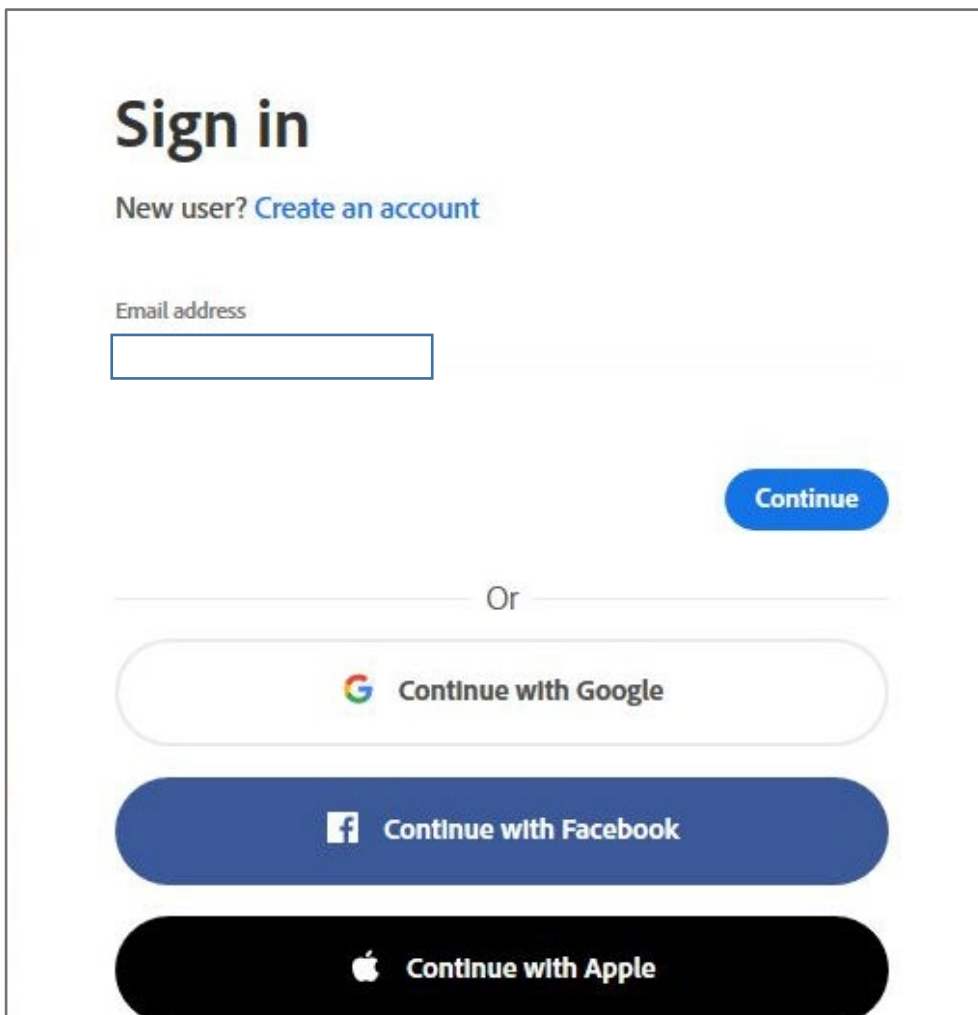

Step 1: Launch Adobe page <https://www.adobe.com/uk/creativecloud.html>

Step 2: Click the **Sign In** button in the top right hand corner to reveal Adobe sign-in box

Step 3: Enter your **University email address** i.e. **AB123@live.mdx.ac.uk** - click continue
If a Password Box appears, leave it blank.

Important

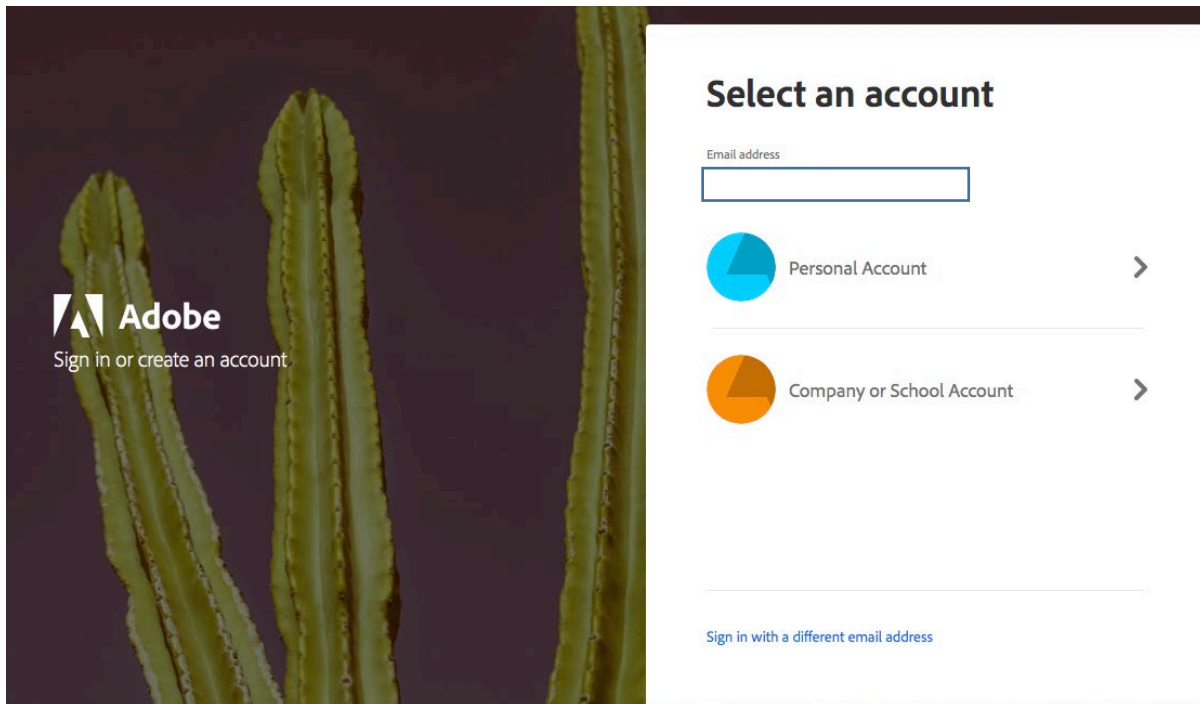

Do not use a personal email address or choose to login via Facebook, Google or Apple

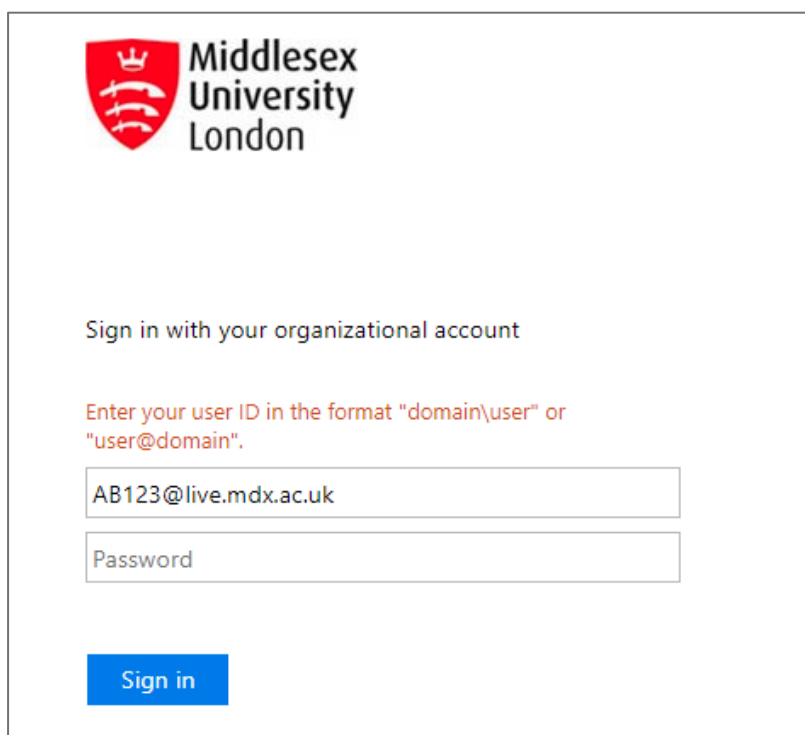

The screenshot shows the Adobe sign-in interface. At the top, it says "Sign in" in a large, bold font. Below this, there is a link for "New user? Create an account". The main form area has a label "Email address" above a text input field. To the right of the input field is a blue "Continue" button. Below the input field and button, there is a horizontal line with the word "Or" in the center. Underneath this line are three large, rounded buttons for social login: "Continue with Google" (with the Google logo), "Continue with Facebook" (with the Facebook logo), and "Continue with Apple" (with the Apple logo).

Step 4: If you previously signed up for an Adobe account using your **University email address** (e.g. **AB123@live.mdx.ac.uk**), you will be asked to select an account. Otherwise, please go to step 5

You must choose **Company or School Account**

Step 5: You will be re-directed to a Middlesex University login window

Step 6: Enter your University email address (e.g. **AB123@live.mdx.ac.uk**) and your password

Step 7: **Once successfully signed in, you can** select the application of your choice, start creating or simply download to install on your personal device. Please note that you'll no longer have access to the software once you've graduated
