

MDXOPEN Wi-Fi connection guide

This service is free (replaces MDXGUEST) and open to anyone on campus who requires internet connectivity. This is a separate BT service external to the University network.

Follow the steps below to connect:

1. Click on Wi-Fi and under 'available wireless networks' simply connect your device to MDXOPEN
2. Launch a web browser. This will automatically be directed to the landing page as shown; if not type the following URL into your browser: <https://www.btwifi.com:8443>
3. Accept the cookies then click the big red button on the landing page to 'Start using MDXOPEN' and you will automatically be connected

Unable to reach the landing page?

1. For support, please ring the Free Phone number 0800 022 33 22 - option 3
2. State you are trying to connect to the BT Wi-Fi from Middlesex University
3. Further general advice on the service is available at the bottom of the landing page.

Points to note

- You will not be able to access university resources when accessing MDXOPEN
- This is a separate BT service external to the University network
