

## Minitab Installation Guide for Windows and Mac

Minitab is a statistical software used to analyse data which can look at current and past data to discover trends, find and predict patterns, create stunning visualizations and more.

**Step 1:** Go to <https://kbox.mdx.ac.uk>. Log in with your student User ID e.g. **AB123** and password. Do not try to log in with your University email address

**Step 2:** To access the list of software titles, click on either of the Download Buttons

**Step 3:** Click on the Student & Staff Minitab-20 link
